Web Site. Planning needs to set up a web site and select a password. We are also looking to get a link to the Wilmerding Web Site.

We are looking into solar panels on the roof of the borough building, Josh is trying to get a copy of the electric bill to inquire with company.

The Council wants a copy of the 5year plan by October.

There is a zoning hearing for the corner lot on Westinghouse Avenue. The house has been torn down and the new property owners want to put in a garage.

Josh is heading u the 5year plan. He had a presentation of the information that he has researched. We voted to have a workshop meeting on April 19, 2023

We discussed what projects the Borough is requesting grants for.

We need to know what they are working on so that we don't duplicate.

Grant requests may be refused because audit is not up to date. A new accountant has been hired.

Josh motioned to seek grant money for professional help to implement the comprehensive plan, with a second by Ben, motion carried.

Motion to adjourn by Pauline, second by Ben, motion carried.
