

**BOROUGH OF WILMERDING
NOTES FROM THE NOV. 1, 2016 WORKSHOP**

ENGINEER'S REPORT – D. GILLILAND:

1. Ice Plant Hill road work began today. The road will be closed for 6 weeks but will be open for emergency vehicles. Access to both upper and lower YMCA parking lots will be maintained.
2. Summit Street work has started and should be completed by November 25th, weather permitting.
3. The drilling of test holes to search for the source of the water infiltration into the public works garage will begin on Monday Nov. 7th.
